Kailana Premier

40-metre steel expedition yacht

40M · 19 GUESTS · 10 CABINS

Built for *expedition*

Kailana Premier is a 40-metre (134 ft) steel expedition yacht chartering in Indonesia. She began life as a fire-fighting support vessel for offshore oil and gas work and was rebuilt over a three-year refit, completed in 2025, into a contemporary luxury charter yacht.

The result is unusual for the region: real expedition range and a steel hull that stays steady on long crossings, wrapped in interiors built for comfort rather than endurance.

She sleeps up to 19 guests in 10 cabins across four decks, which makes her one of the few yachts in Indonesia that can take a large family group or a private celebration without anyone feeling squeezed.

ON BOARD

Effortless, *deck to deck*

She is the only luxury charter yacht in the country fitted with a guest elevator, so moving between decks is effortless whatever your age or mobility.

On board there is a full dive centre, a jacuzzi, a gym, wellness facilities, a library and camera room, and a wide spread of water toys — kayaks, paddleboards, wakeboards, water skis, surfboards and fishing gear.

The image shows the interior of a yacht's main deck, which serves as a lounge and dining area. The room features a large, dark-colored sectional sofa with several cushions, including one with a blue and white geometric pattern. In front of the sofa is a low, dark coffee table with some decorative items on it. The walls are a light, neutral color, and the ceiling is made of a textured, woven material with recessed lighting. Two large windows with dark frames provide a view of the water and distant land. The overall atmosphere is sophisticated and comfortable.
