The middle ground features a vibrant turquoise bay with a small white boat with two masts. Several small, forested islands are scattered in the water. The background shows a distant shoreline under a sky filled with soft, white clouds.

OUR DESTINATIONS

RAJA AMPAT | KOMODO NATIONAL PARK | BANDA SEA

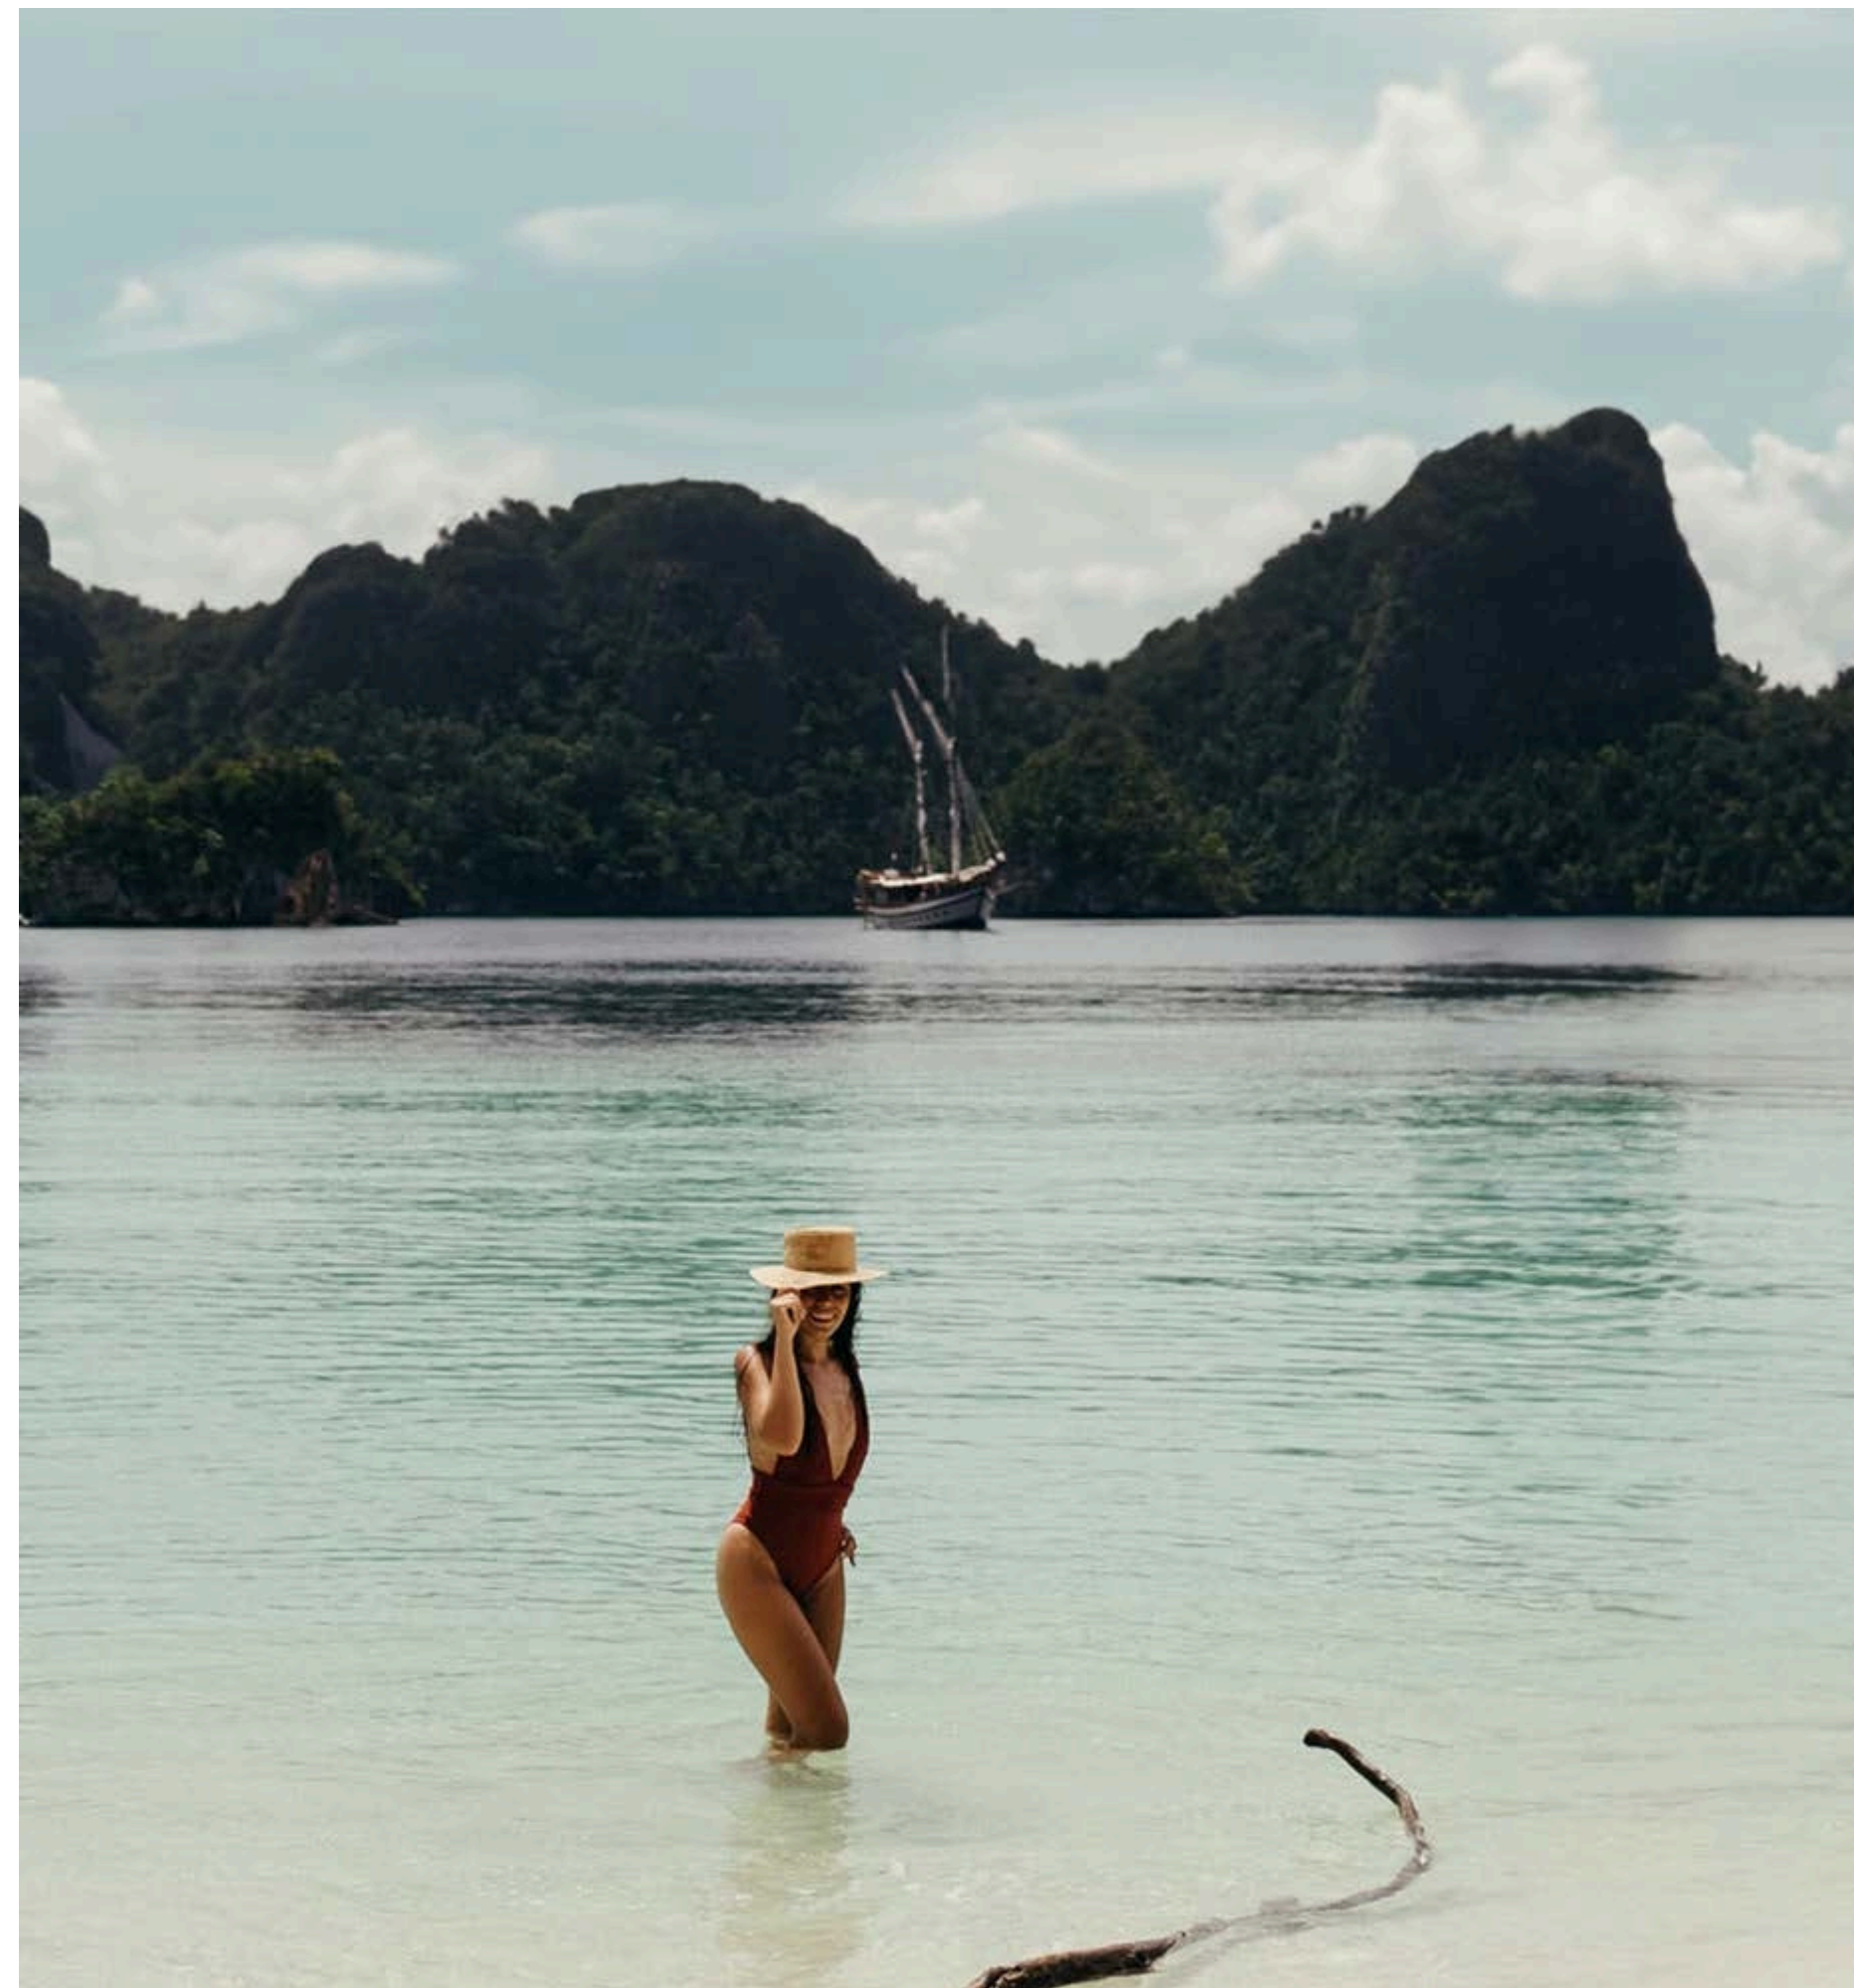

RAJA AMPAT

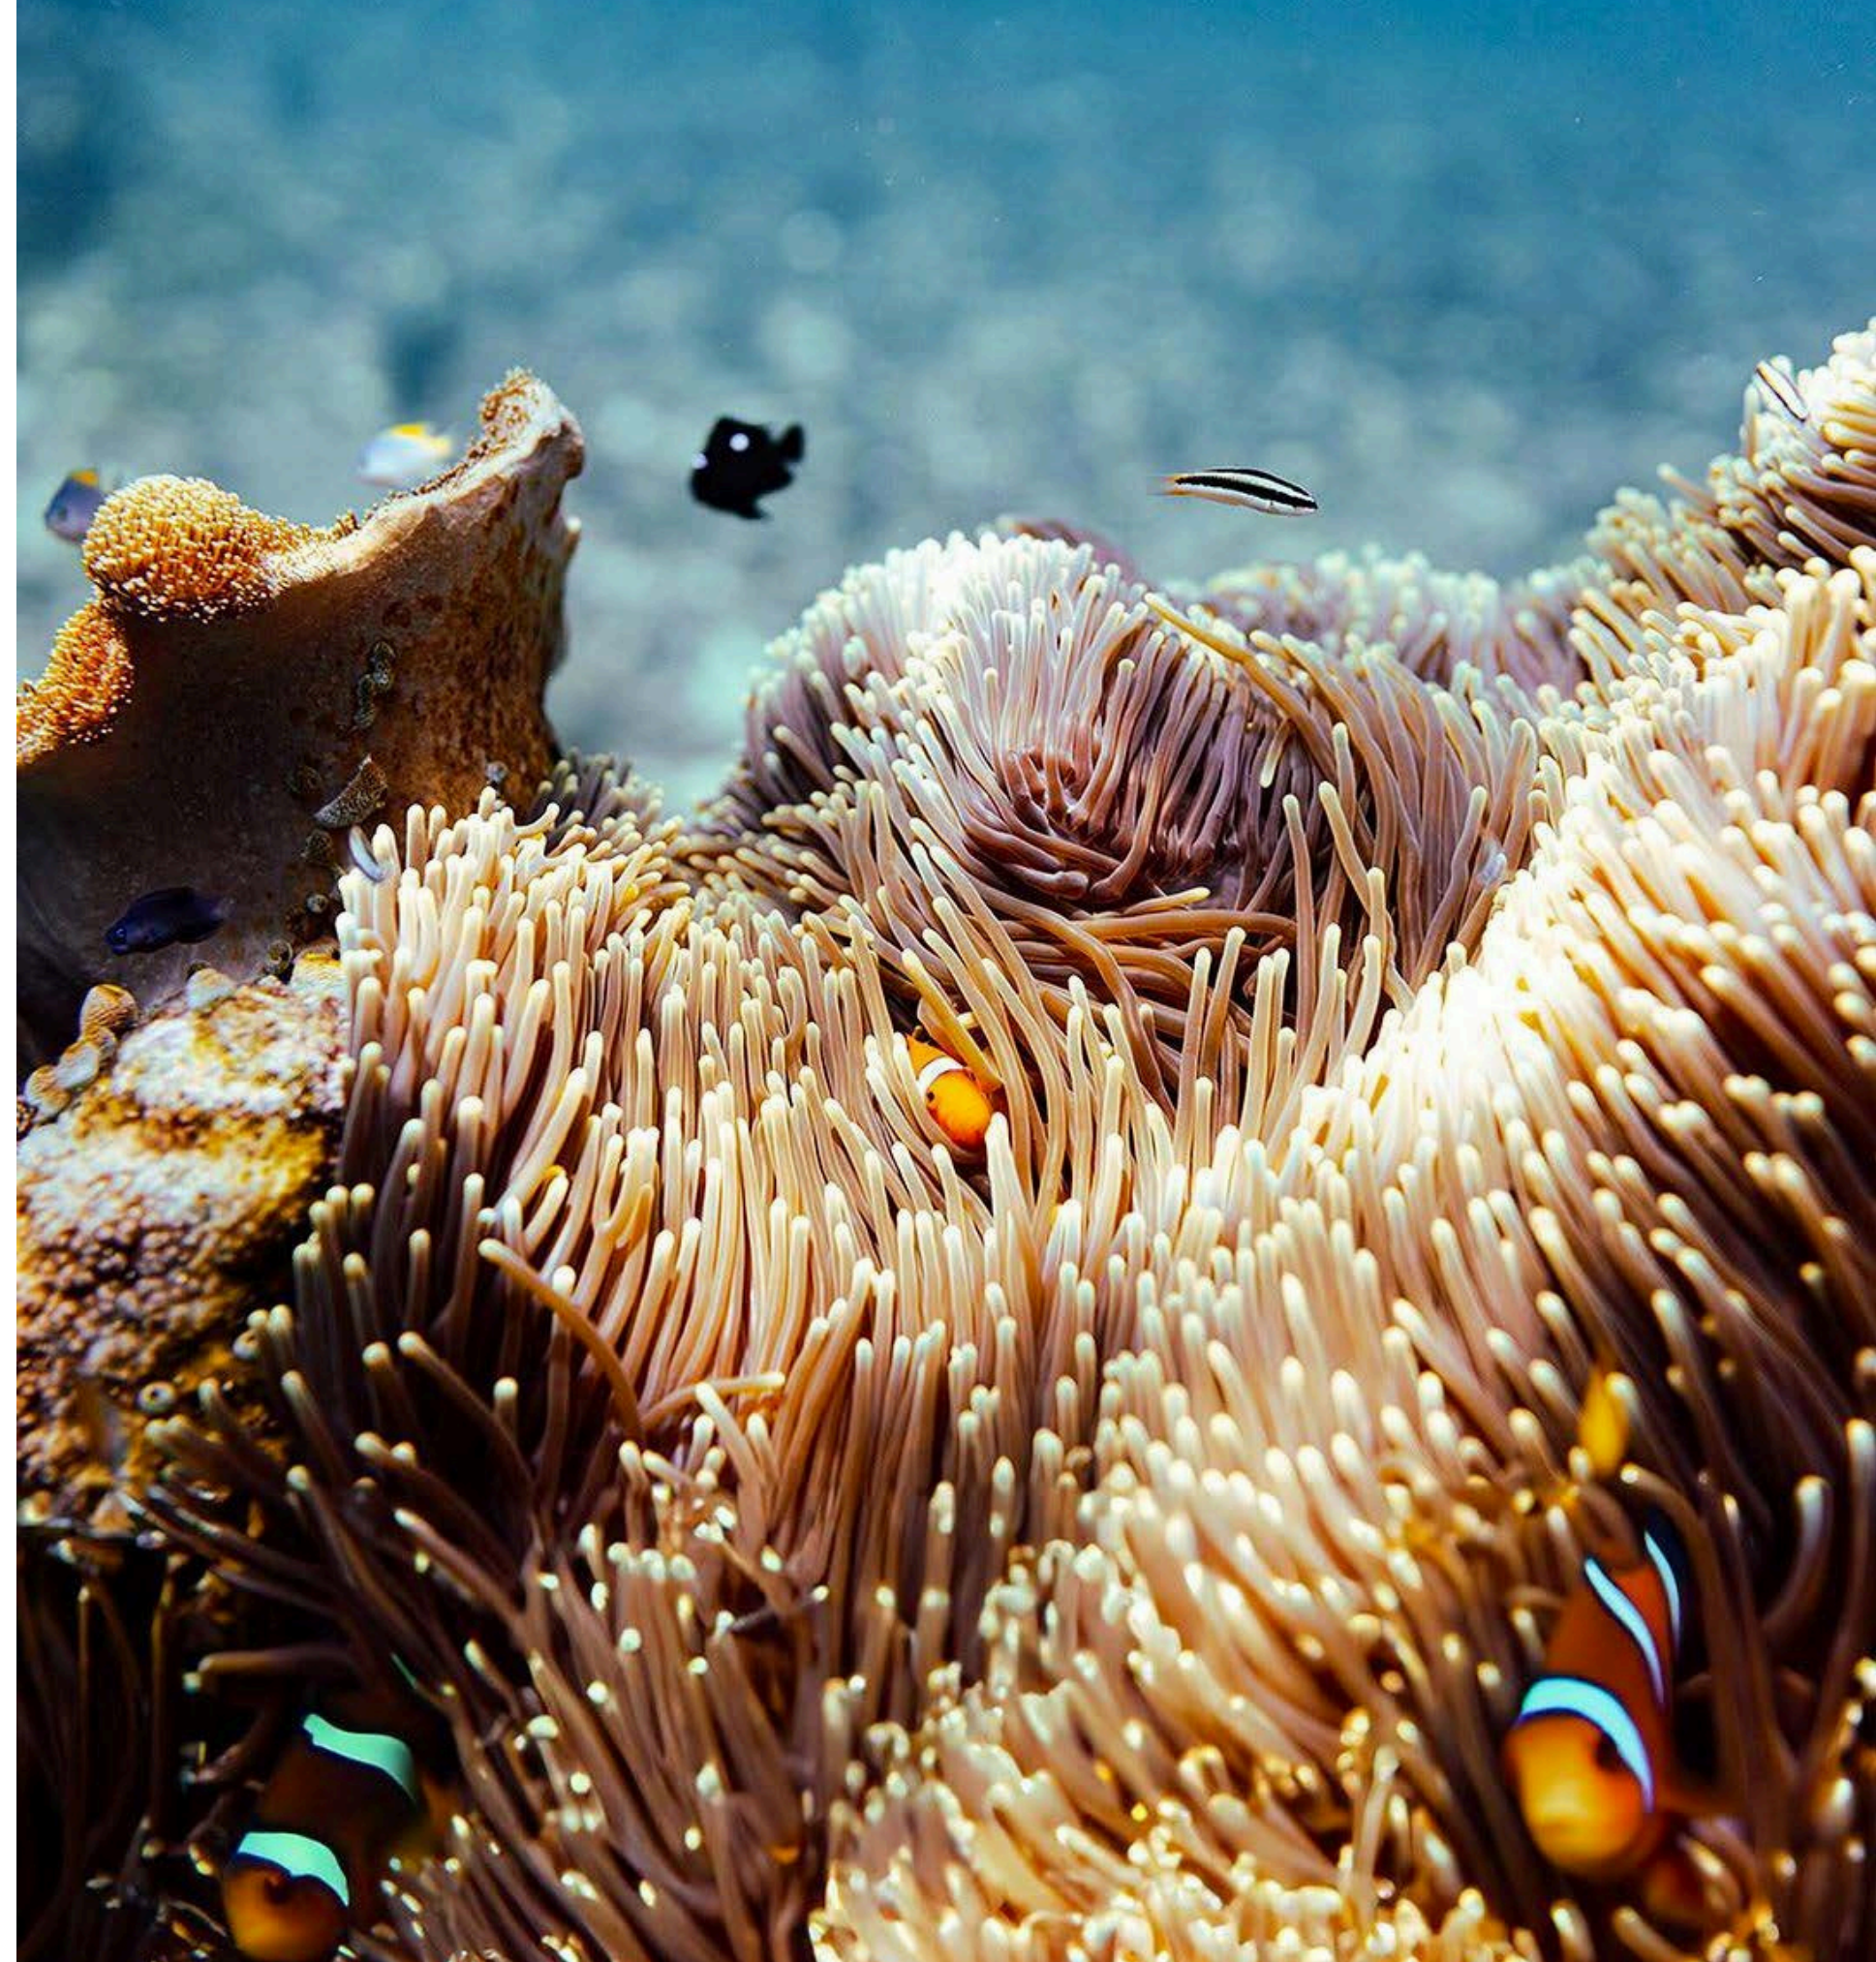

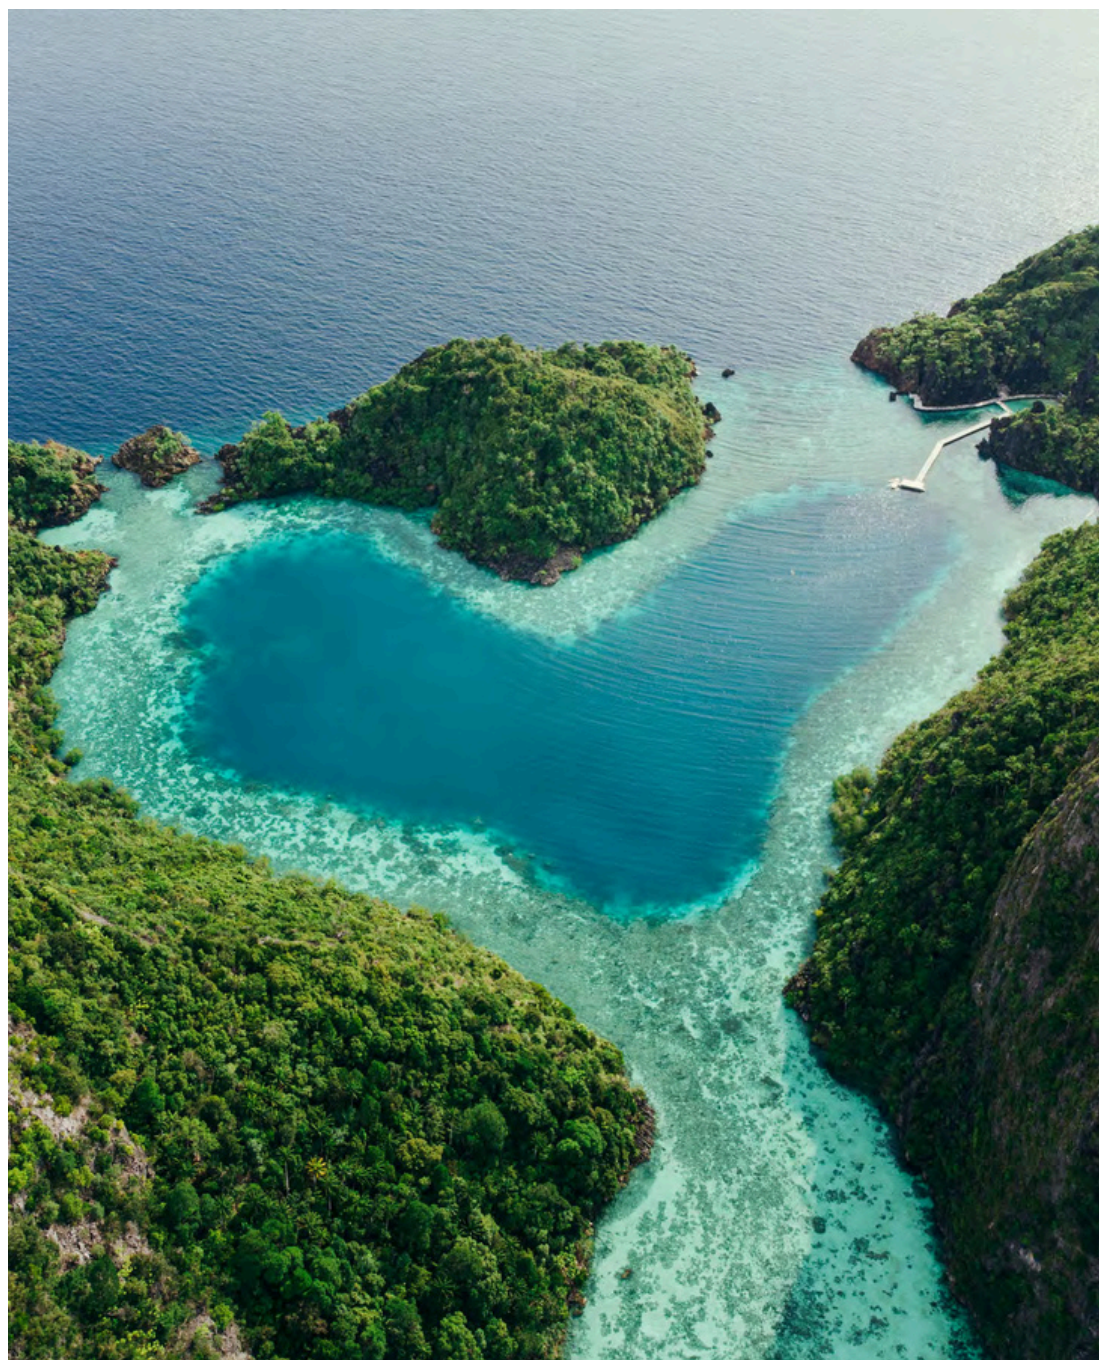

Nestled in the heart of the Coral Triangle, Raja Ampat is a True Paradise for adventurers and nature enthusiasts alike. Boasting over 1,500 small islands, cays, and shoals, this Indonesian archipelago is renowned for its stunning marine biodiversity and crystal-clear waters.

Dive into an underwater wonderland teeming with vibrant coral reefs and a kaleidoscope of tropical fish, or embark on a snorkeling adventure to discover hidden lagoons and secret coves. On land, explore pristine rainforests and encounter rare bird species, including the magnificent Birds of Paradise. Kayaking through the labyrinth of emerald islets, visiting traditional Papuan villages, and witnessing breathtaking sunsets from secluded beaches are just a few of the unforgettable experiences that await in Raja Ampat.

We typically recommend a minimum of 5 nights for exploring Central & North and 7 nights if you wish to include the Misool Area.

BEST TIME TO VISIT FROM OCTOBER TO APRIL

WAYAG,
RAJA AMPAT

KOMODO NATIONAL PARK

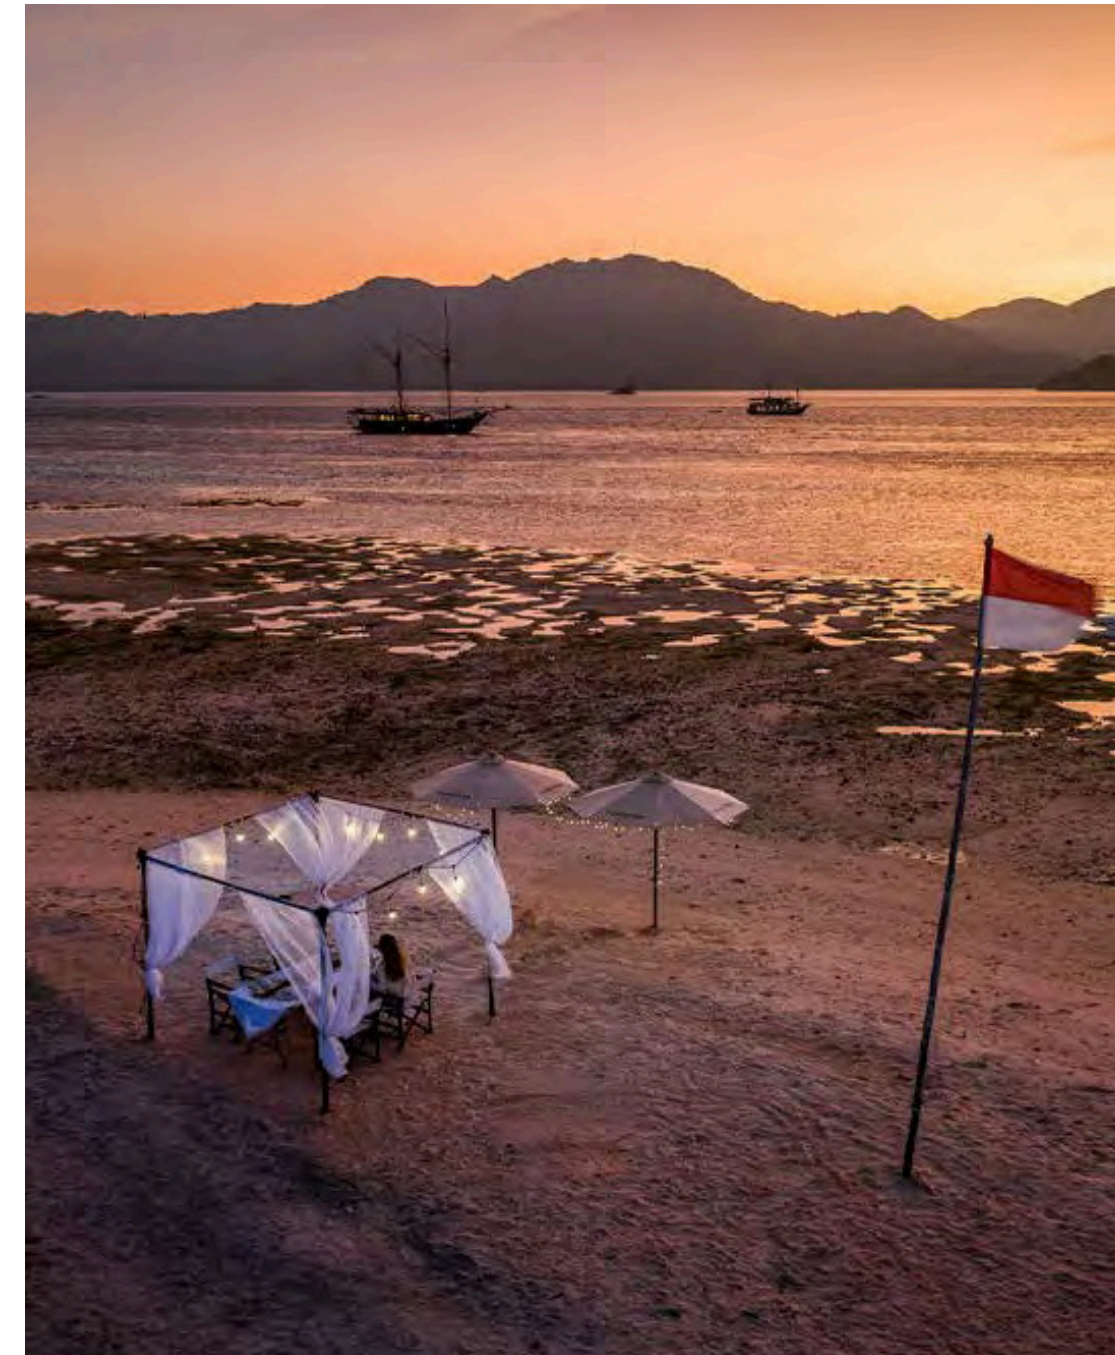

Nestled within the Indonesian archipelago, Komodo National Park is a UNESCO World Heritage site renowned for its natural beauty. Located between Sumbawa and Flores, its islands—Padar, Komodo, and Rinca—offer world-class diving, encounters with Komodo dragons, and the unique pink beach.

Dive into crystal-clear waters to explore vibrant coral reefs, snorkel with manta rays, and hike scenic trails with panoramic views. Immerse yourself in local culture by visiting traditional villages and enjoy unforgettable sunsets from secluded beaches. Whether for relaxation or adventure, Komodo promises an unforgettable experience.

We recommend a minimum of 5 nights to explore Komodo National Park fully, or extend to 10 nights to include Sumbawa Island in your itinerary.

BEST TIME TO VISIT FROM MAY TO SEPTEMBER

PADAR ISLAND
KOMODONATIONAL PARK

BANDA SEA & SPICES ISLANDS

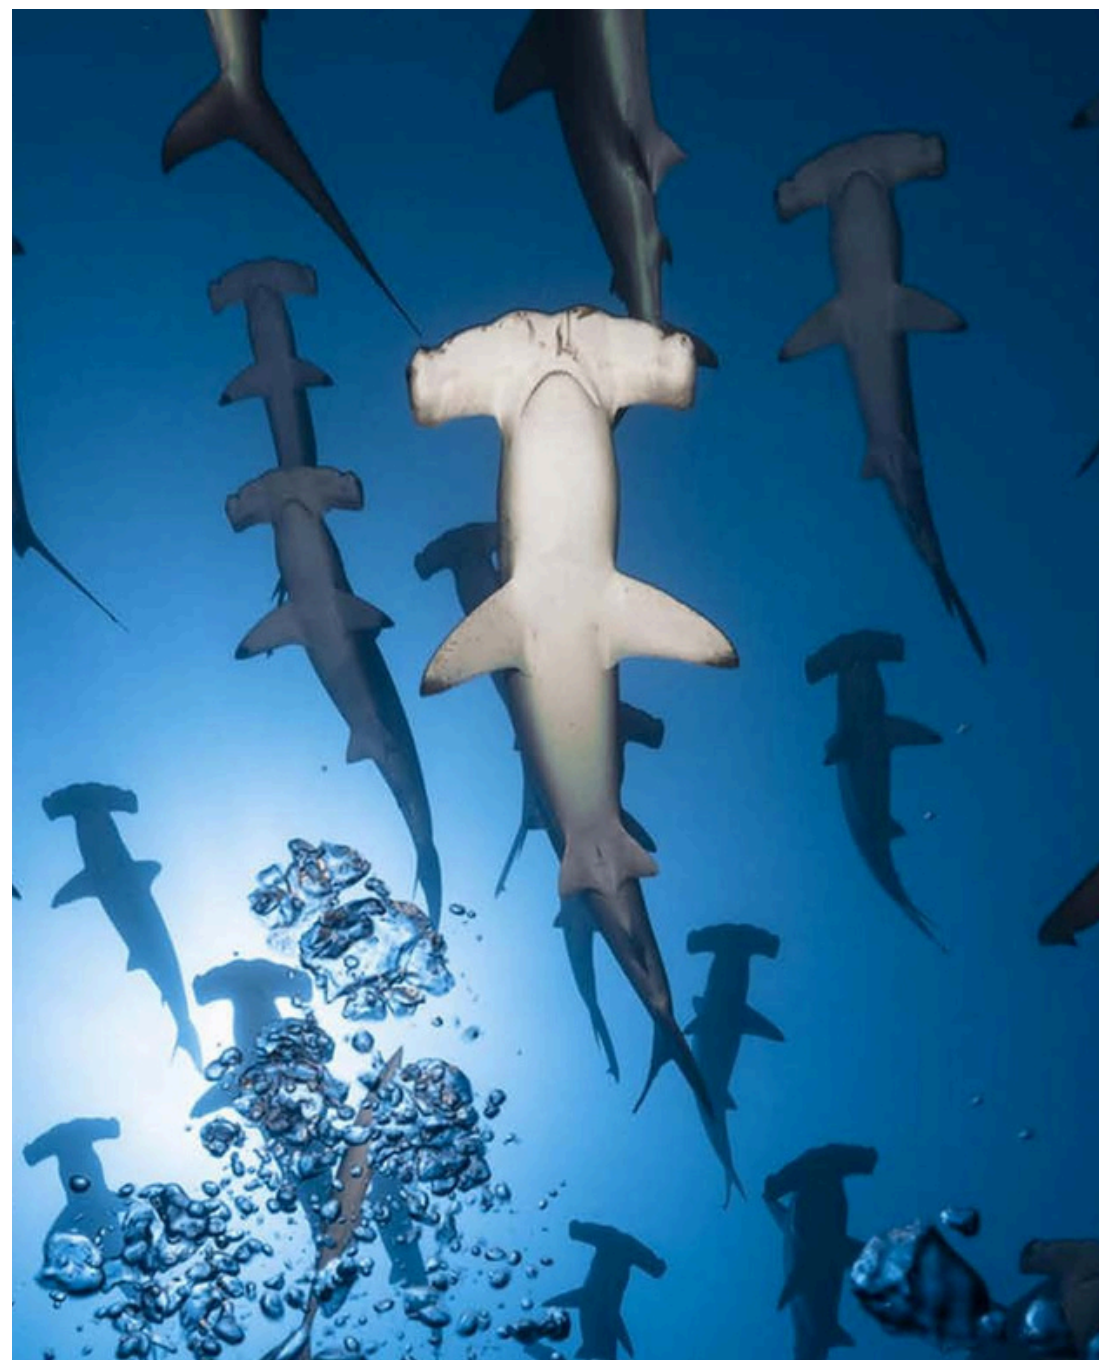

The Banda Islands, renowned as the Spice Islands, hold a significant place in history due to their pivotal role in the global spice trade. These islands boast lush greenery, volcanic peaks, and charming colonial architecture. Witness the migration of hammerhead sharks, offering wildlife enthusiasts a rare spectacle amidst these pristine waters.

Beyond maps and boundaries, our expedition cruises through the Banda Sea are crafted for adventurers seeking a once-in-a-lifetime experience. This remote part of Indonesia offers a unique blend of stunning landscapes, vibrant marine life, and rich cultural heritage.

We recommend a minimum of 7 nights to explore the area and 10 nights if you wish to cross from Ambon to Raja Ampat.
